

★ ACES Insurance Services – Claims Checklist ★

Claims Checklist

This checklist helps you stay organized and ensures your claim is processed as quickly as possible. Keep it handy during any auto, home, commercial, or liability claim.

✓ 1. Immediate Steps After a Loss

- Ensure everyone is safe
- Call emergency services if needed
- Prevent further damage if possible (turn off water, secure area, etc.)
- Document the scene before moving anything

📷 2. Gather Documentation

Collect as many of the following as possible:

Photos & Video

- Damage from multiple angles
- Surrounding area
- Any contributing factors (leaks, debris, broken parts)

Receipts & Records

- Repair estimates
- Invoices for emergency repairs
- Proof of ownership (for personal property claims)
- Prior maintenance records (auto/home)

Incident Details

- Date & time of loss
- Description of what happened
- Weather conditions (if relevant)
- Police or incident report number (if applicable)

👤 3. Contact Your Carrier or ACES Agent

Have this information ready:

- Policy number
- Type of claim (auto, home, liability, commercial, etc.)
- Description of the loss
- Any injuries involved
- Whether the property is safe to occupy

4. Adjuster Appointment

When the adjuster contacts you:

- Confirm date & time
- Ask what documents they need
- Prepare access to damaged areas
- Keep all receipts for temporary repairs

✓ 5. After the Inspection

- Review the adjuster's summary
- Ask questions if anything is unclear
- Keep copies of all communications
- Do not discard damaged items until approved

6. For Business Claims

- Inventory loss list
- Photos of equipment damage
- Profit & loss statements (if business interruption applies)
- Employee injury reports (if Workers Comp)

7. Keep Everything Organized

Recommended folder structure:

/Claims

/Photos

/Receipts

/Estimates

/Adjuster Reports

/Correspondence
